

Dementia clinics

Free, life-changing support for people affected by dementia

Dementia UK, in partnership with Nationwide Fairer Futures, is offering face-to-face clinics with a specialist dementia nurse, known as an Admiral Nurse, in your local branch.

Please book your free, confidential appointment for advice and support with any aspect of dementia, including:

- getting a diagnosis
- understanding symptoms and changes in behaviour
- practical tips for carers
- choosing home or residential care
- emotional support
